

HAVING A MARY HEART IN A MARTHA WORLD

“BOOK-ONLY” STUDY OPTION

OVERVIEW

Though it is ideal for study participants to have both a copy of *Having a Mary Heart in a Martha World* and the companion study guide in order to get the most out of the DVD-based Bible study, some groups may not be able to afford both.

With that in mind, we have created a “book-only” option to be used with the DVD sessions. Featuring the original study found in the back of each book, the following outline will help you implement the video sessions for a ten-week study or expand to fit the book’s twelve-week format. You’ll find viewer guides on website mentioned below.

Note: “Word Time” videos are short bonus videos for optional use at the beginning of each week to give women additional tools for going deeper in their study of God’s Word. If you want to incorporate the memory verses, a pdf is available on the third DVD or at www.havingamaryheart.com. You’ll find a promo video, posters and flyers as well. While there, check out the Leader’s Guide and Retreat Guide for more ideas.

Each woman will need a copy of:

- *Having a Mary Heart in a Martha World*
- The downloadable study workbook found at www.havingamaryheart.com placed in a three-ring binder.
- Video viewer guides accessed from a link on that site as well.
- (Optional) Memory verses—full sheet or cut to size on business card stock.
